SPECIAL COMMUNITY MEETING

Monday, October 26th at 7:30pm
Folk Fest 5th Night Performance

This past year, a 5th night was added to the Folk Fest. This was an evening for a star headliner, and raised funds for the Folk Fest Endowment Fund.

A \$20,000 cheque was received from the Folk Fest for our support of the 5th night; this money is intended for projects to improve and beautify our community building and park.

The Folk Fest will again be applying for federal arts funding for 2010. Similar to this past year's festival, the Folk Fest is looking to add a Wednesday night in support of their application. They will only have high caliber performers for this Wednesday night (i.e. such as this past year with Tracy Chapman and Sarah McLachlan).

It is noted that there are no current plans by the Folk Fest for the Wednesday night to be permanent. They do, however, want to consider this on an annual basis with the community's input.

A motion was made at the community's AGM to have the community league members vote to decide on the 5th night. Therefore, a special meeting will occur on October 26th to vote on this.

Terry Wickham of the Folk Fest, will present information about the 5th evening at this meeting. A closed discussion will follow this presentation, followed by a vote on the community's support or not for the Wednesday evening.

Any concerns about folk fest should be directed to the liaison committee. Dino: 780-465-7847 or dbottos@pringleandassociates.com.
